HAVCITYCLERK**Thoroughly Describe the Reason(s) for thre Special Permit**

As part of the approval process, we have reviewed the proposed project with reference to the City of Haverhill Zoning Ordinance. Based on our review, and discussions with Thomas, the proposed development complies with all applicable zoning requirements, including frontage, setbacks, lot area, and dimensional regulations within the RH Zoning District. The project is designed to be fully compliant with the City's zoning regulations and development standards.

Property Description

The property located at 27 Marshland Street, Haverhill, Massachusetts, currently contains an existing single-family residence situated on a 13,405 square foot parcel within the RH Zoning District. The proposed project consists of the demolition of the existing dwelling and the construction of three attached townhouse condominium units on the existing lot. The property will remain as a single parcel with condominium ownership established upon completion. The proposed development is designed to comply with all applicable zoning requirements, including frontage, setbacks, lot area, parking, and dimensional regulations.
