Re: **Request to Continue Hearing – Special Permit for 27 Marshland Street**

Dear President Jordan and members of the Council,

I write on behalf of Sterling Commonwealth Builders (the “Applicant”) regarding the pending special permit application to construct a three-family home at 27 Marshland Street to request the Council continue the hearing currently scheduled for September 15, 2026. The Applicant requires additional time to respond to comments made by City departments before bringing the matter before the Council. The Applicant therefore respectfully requests that the petition be heard on October 6, 2026.

Thank you for your attention to this matter and do not hesitate to reach out with any questions.

Very truly yours,

JOHNSON & BORENSTEIN, LLC

Dear Clerk Wright Esposito,

My office was recently retained by the owner of 27 Marshland Street regarding their pending special permit (CCSP-26-7) application for a three-family residential use. We need approximately two weeks to complete some supplemental plans to address comments made by the city departments.

We would prefer to bring the application before the full city council. I recall from our prior communications that the full council is not expected to be present at the September 29th meeting. Will the full council be present at the October 6th or 13th meetings?

Thank you,

Jonathan
