When the application is deemed complete and a public hearing is schedule the applicant needs to provide a site plan with parking, child drop off and pick up areas, staff parking, lighting and landscaping. Follow Section 9.3 for district and plan requirements.

Can be placed on Council agenda for hearing. Submission of site plan and supplemental information as requested at meeting and in this workflow will be necessary as this moves through the hearing process.

In accordance with the Zoning Ordinance Section 10.8 a Site Plan approval from the Planning Board for a child-care is required. Please apply online at <https://haverhillma.portal.opengov.com/categories/1081>

Because the deadline to appear on the May 13 Planning Board agenda for Site Plan Review of the proposed child-care use has passed, that portion of the application cannot be reviewed in time for City Council action on May 19. As a result, the City Council cannot act on the special permit at its May 19 public hearing if it includes the child-care component. However, if the child-care request is removed from the application, the Council may proceed with consideration of the remaining special permit on that date; otherwise, a continuance to a June meeting will be recommended.

Applicant has submitted an application with the Planning Board to be reviewed at their July 8th meeting, if Council is inclined to continue this public hearing a suggested date would be July 14th.

The Planning Board opened the meeting for review of the day care at their July 8th meeting, the applicant confirmed he is working with a traffic engineer to submit a review of the traffic and parking. The Planning Board continued the item to their September 9th meeting to allow time for the traffic engineer to submit their report. See PBDA-26-1 for further information on concerns and information requested.
