The 16-year-old gunman who shot and killed three children and one 25-year-old teacher at Silver Rail Elementary School in Bend, Oregon, on Thursday has been identified as Griffin J. John II, Bend's police chief announced in a news conference Friday.

Authorities said he was shot and killed by a bystander at the school. The suspect was a former student of Silver Rail Elementary, police said.

The attacker used a shotgun purchased by his mother, law enforcement sources told CBS News. Bend Police Chief Mike Krantz said Friday that a Maverick 88 pump-action 12-gauge shotgun was located near the suspect, as well as a backpack. Krantz said that three types of ammunition were used in the shooting: birdshot, buckshot and slugs.

The suspect fired as many as 15 rounds, Krantz said Friday, and another 44 remaining rounds of ammunition were located at the scene.
