

SC 10.08.26 4 (A)

October 2, 2026

Michael Downs, Principal
Victoria Lu, Vice Principal
Haverhill High School

This gift is from the estate of Donald Chester Freeman (1901-2001) and Isabelle Brown Freeman (1907-2003).

Donald and Isabelle moved to Haverhill shortly after they married in 1928. Donald was an English teacher, then Principal, and then in 1963 became Superintendent of Schools in Haverhill. Both of them had a keen focus on education and had left instructions in their estate to donate this money to Haverhill High School.

We would like these funds to go toward Celebrations of Student Success.

All the best,

The Freeman Family
