Hillie Pledge

Hillie Pledge

“Hillies: Stand Up, Speak Up”

I'll speak it loud

As I begin this school day

To be thoughtful and kind in all I do and say.

To treat others with respect as I have them treat me

To be the person I know I can be

To do one good deed and all be a friend

To tell someone they matter

Before the day's end.

Mind Up SEL Curriculum Connection

The Anti-Bullying Campaign is tied to the objectives of the Mind Up Scope & Sequence

Empowering students to take ownership of their actions, be genuine, and build respectful relationships with others.

Teaches children how their brains work to help them manage stress, control their emotions, and improve focus

Empathy and Action: Lessons progress from focusing on the senses to understanding other people's perspectives and performing acts of kindness.

Social-Emotional Learning (SEL): Building empathy, relationship skills, and responsible decision-making.

Anti-Bullying Campaign: *Stand Up, Speak Up*

Campaign Overview

Encourages kindness, respect, and support for one another across our entire school community.

Empowers students, staff, and families to take an active stand against bullying.

Goal: Create a safe, inclusive school environment for everyone.
