**MEMO TO: CITY COUNCIL PRESIDENT TIMOTHY JORDAN AND
MEMBERS OF THE CITY COUNCIL**

SUBJECT: ROAD OPENING, 136 WINTER ST, EROM-26-16

As the subject street was paved within the last 5 years, Council approval is required to open the roadway to allow for installation of a fire suppression water service, which is necessary to support the operational needs of the property, at 136 Winter Street.; which requires Kelley Excavation to excavate in the right of way. I am supportive of this request, and The Engineering Office will require proper repaving from curb to curb and the limits of which will be established by city staff in the field.

Please contact me if you have any questions.

Sincerely,

Lisa DeMeo
City Engineer
