Document # 21-F

CCSP-26-6;

Attorney Caitlyn Masys for client *Essex County Habitat for Humanity* requests a special permit to renovate existing property at 512 Washington St and divide it into three affordable housing units. Applicant seeks to tear down the existing dilapidated garage on the property and proposes to build a duplex on either side of the existing house, adding an additional four affordable housing units to the property. Once complete, the property will have seven residential units that will be converted to condominiums. There will be a provision within the condominium documents, as well as restrictions in each of the deeds, stating that every unit shall perpetually be defined as affordable housing. Each unit will then be sold to qualified low-income home buyers.
